Availability + Shipping Time = Total Delivery Time

For example, many titles on our site show 24-hour availability. If you select standard domestic delivery, your shipping time will be 3 to 7 business days, depending on where you live. This means your total delivery time will be 1 day (availability) + 3 to 7 days (shipping time). So you can expect to receive your shipment at your front door 4 to 8 days after you place your order.
